

# MATERIAL SAFETY DATA SHEET

## SECTION 1 – IDENTIFICATION OF THE MATERIAL AND SUPPLIER

**Product Name:** PM1001 TRUCK WASH  
**Product Code:** 1001  
**Product Use:** Truck Wash  
**Supplier:** PM Lubrication (ABN 95 880 856 055)  
4/105 Archibald Street, Mackay  
Queensland, 4740 Australia  
Phone: +61 (07) 4998 5851

**EMERGENCY TELEPHONE NUMBER:** 1800 033 111 (Australia)  
**Chemical Nature:** A mildly alkaline truck washing compound  
**Creation Date:**  
**This version issued:** Feb. 2021

### INGREDIENTS:

Chemical	CAS No.	Proportion	TWA (mg/m3)	STEL (mg/m3)
Alkaline Salts	Various	<10%	Not set	Not set
Surfactants	Various	<10%	Not set	Not set
Materials not classified as hazardous	Not required	>60%	Not set	Not set

### HEALTH HAZARD INFORMATION

A mildly alkaline material generally considered safe if handled in accordance with this MSDS. Symptoms that may arise if the product is mishandled are as follows:

### HEALTH EFFECTS

A low hazard material generally considered safe.

**Acute – Ingestion:** Low toxicity. Ingestion can result in irritation of the mouth and gastrointestinal tract, nausea, vomiting and stomach pain

**Acute – Eye:** A moderate eye irritant

**Acute – Skin:** Mildly alkaline substance. Undiluted and strong solutions of the product are an irritant to skin and mucous membranes. With repeated or prolonged exposure, may cause dermatitic effects.

**Acute – Inhalation:** Generated mists of the product may irritate the respiratory system

**Chronic:** No data

**EMERGENCY AND FIRST AID PROCEDURES:**

- Ingestion: Do NOT induce vomiting. Immediately give plenty of water or milk. Seek medical attention
- Eye: Immediately hold open eyes and flush with water continuously for at least 15 minutes. Seek medical attention.
- Skin: Remove all contaminated clothing and wash affected area with plenty of water and soap
- Inhalation: Remove from further exposure and apply artificial respiration if not breathing. Seek medical attention.
- Advice to Doctor: Treat symptomatically.

**PRECAUTIONS FOR USE**

- Exposure Limits: No value assigned for the specific material by the National Health and Medical Research Council or by the National Occupational Health and Safety Commission. (Worksafe Australia). See ingredients section for individual chemicals.
- Ventilation: Use with adequate ventilation.
- Personal Protection: Use good occupational work practice. The use of protective clothing and equipment depends upon the degree and nature of exposure. The following should be available: gloves, safety eye glasses (particularly when pouring undiluted product). Generally, not required for typical truck washing applications.
- Flammability: The product is non-flammable.

**SAFE HANDLING INFORMATION**

- Storage & Transport: Store away from heat, acids, foodstuffs and empty foodstuff receptacles and oxidizing agents (such as chlorates, nitrates). Not classified as a Dangerous Good.
- Spills & Disposal: Wear protective clothing to prevent skin and eye contamination. Prevent large spills from entering sewer systems, waterways, etc. Mop up with absorbent material. Collect and seal in properly labelled containers for disposal. Wash area down with excess Water. Contact local Waste Disposal Authority before you dispose of the material. Observe all Federal, State and Local regulations.
- Fire & Explosive Hazard: Not combustible

**WORKSAFE AUSTRALIA CRITERIA:**

- Hazard Category: No hazardous
- Risk Statement: None allocated
- Safety Statement: None allocated.

**WHERE THE INFORMATION PROVIDED IN THIS BULLETIN INDICATES A POTENTIAL HAZARD,  
ADEQUATE WARNING SHOULD BE GIVEN TO ALL**

All reasonably practicable steps have been taken to ensure this data sheet and the health, safety and environmental information contained in it is accurate as of the date specified above. No warranty or representation, express or implied is made as to the accuracy or completeness of the data and information in this data sheet. The data and advice given apply when the product is sold for the stated application or applications. You should not use the product other than for the stated application or applications without seeking advice from PM Lubrication. It is the user's obligation to evaluate and use this product safely and to comply with all applicable laws and regulations. PM Lubrication shall not be responsible for any damage or injury resulting from use, other than the stated product use of the material, from any failure to adhere to recommendations or from any hazards inherent in the nature of the material. Purchasers of the product for supply to a third party for use at work have a duty to take all necessary steps to ensure that any person handling or using the product is provided with the information in this sheet. Employers have a duty to tell employees and others who may be affected, of any hazards described in this sheet and of any precautions that should be taken. You can contact PM Lubrication to ensure that this document is the most current available. Alteration of this document is strictly prohibited.
