

Skin Friendly Hand Cleaner

Product Information

PM1002 Citrus Scrub Hand Cleaner is a citrus-based hand cleaner, that has been developed to conform with the latest requirements of the regulatory bodies, which do not allow the use of either solvents or MGBE (butyl icinol) that can lead to dermatitis.

These two constituents are now excluded from preparations.

Composition

PM 1002 Citrus Scrub Hand Cleaner contains Aloe Vera, Jojoba Oil, Tea Tree Oil, Glycerin, and Vitamin E to promote healthier skin. Poly beads are included and assist in cleaning.

Citrus Scrub is a liquid cream that is compatible with most lotion pumps.

Application and Directions for Use

PM1002 Citrus Scrub Hand Cleaner should be applied directly to the hands and massaged thoroughly before rinsing with water.
