

# PM314

## POWER STEERING FLUID

### Product Information

---

PM314 Power Steering Fluid has been formulated for use in power steering systems that call for an 80W, ISO 68 fluid in their respective systems.

PM314 Fluid is recommended for use in vehicles such as some Ford Models. AU Series Falcon, EL Series Falcon, NL Series Ford Fairlane, and the DC Series Ford LTD.

PM Lubrication cautions against the use of this product in vehicles where an automatic transmission fluid is advised, such as (Dexron III) for example. Refer to the Owners Handbook for recommendations.

---

### Typical Properties:

SAE Viscosity	10W30
